

Twenty-eighth Sunday in Ordinary Time, October 9, 2016

In today's gospel, we hear of the ten men afflicted with leprosy, and the one who glorifies God for being healed. It is a dramatic scene of gratitude. But in order for the miracle to happen in the first place, these men had to start walking in faith before their diseased conditions changed one tiny bit. Good stewards of their faith realize that they cannot wait until their problems are over to start walking in faith. They praise God even in the darkest of nights, and in the worst of circumstances. Do we walk in faith, giving the Lord our gratitude even when we are in difficult circumstances?
