

Thirty-third Sunday in Ordinary Time ~ November 18, 2018

Today's Gospel reading is often referred to as the "Little Apocalypse" because of its many references to the events that will occur in the end times. Jesus tells his disciples that many unusual and frightening things will happen, but he will come with power and glory to gather together his elect. While we may not know the day and hour of his coming, Jesus encourages us to pay attention to the signs of the times and to know that he is near.
