

3rd Sunday in Ordinary Time ~ January 27, 2019

Children are really all the things listed in what Jesus read from Isaiah. They are poor because they really depend on parents for their every material need. They are not free because they are too young and inexperienced to live on their own. While they're not completely blind, much of what they do see has been shaped by their parent's vision. When we think of all parents do for their children, it becomes clearer all that Jesus is for us.
