

# Easter Sunday ~ April 21, 2019

Most parents have discovered by now that things aren't always as they seem. A poured out bottle of laundry detergent wasn't really mischievous behavior, but rather an attempt to surprise you with a generous gift of service. Or secret whispers are not an attempt to hide some wrongdoing but rather an effort to plan a surprise for you. Things weren't as they seemed to Mary Magdalene either that first Easter morning. Our errors in perception often work to remind us that God's plan is not always obvious, but that we are challenged to trust in the promise of the resurrection.
