

The Most Holy Body and Blood of Christ~ June 23, 2019

How many meals do we prepare not knowing exactly who will eat them? As the dynamics of our families change, there may be a few more or a few less at each meal. Sometimes we invite co-workers or neighbors at the last minute to join us for dinner, or our children may ask if a friend can stay for dinner! We can be creative stretching a meal to feed a few more or have some really great leftovers for the next day's lunch! However they turn out, our meals are opportunities for sharing love by our efforts in preparation, with those who gather at the table, and the conversation we share as we eat. Mealtime is important for all families, and we need to make every effort to help them become sacred moments of the day.
