

## Thirteenth Sunday in Ordinary Time~ June 30, 2019

Discipleship is all about commitment and few people understand commitment better than parents. We may give up on a number of things in our lives including hobbies, jobs and even some long-standing relationships; but one thing we rarely give up on is our children. It may very well be because of our commitment to our children that we make other changes in our lives, so we really do know something about commitment. When we think of our commitment to our children, we don't really think of sacrifice. We really aren't giving up something because we have to parent them; we don't do some of the things we used to do because we want to parent them. That is what following Jesus is like. We follow Jesus because we want to not because we have to.
