

Fourth Sunday in Ordinary Time ~ January 31, 2021

Jesus' compassion and healing of the sick is a sign of the Kingdom of God. The Church continues to extend Christ's healing presence to others in its ministry to the sick. In the Sacrament of the Anointing of the Sick, the Church prays for spiritual and physical healing, forgiveness of sins, and comfort for those who are suffering from illness. In today's Gospel we also notice the importance of [prayer](#) in Jesus' daily life. Jesus rose early in the morning, removed himself from the crowds, and went to a deserted place to pray. When the disciples found him, he told them that it was time to move on. We believe that in his prayers Jesus found guidance and direction from God. We also bring our decision-making to God in prayer, asking for his guidance and direction in our lives.
