

Twenty-Seventh Sunday in Ordinary Time ~ October 3, 2021

At first glance, the final part of today's Gospel seems unconnected to the previous teaching about divorce. When read together, however, these passages present a strong picture of Jesus' emphasis on the importance of family. God intended for women and men to be joined together in marriage. Among the purposes of marriage is the raising of children. By welcoming children and fostering their relationship with God, parents and families bear witness to the Kingdom of God.
