

## *Fifth Sunday of Lent ~April 3, 2022*

*Memories from the past can cause us pain. The woman in Today's Gospel was blessed by the healing presence of Jesus in a traumatic moment. Recall a painful time from your past. Use your imagination and see Jesus there with you. Ask Jesus to heal this time, to transform it forever with his presence. How does this healing prayer infuse your present and even your future with hope?*
