

# Seventeenth Sunday in Ordinary Time ~ July 24, 2022

**Gospel Reflection:** Having taught his disciples a simple, daily prayer, Jesus goes on to reassure them that God answers prayers. First, he tells a parable about a persistent neighbor who asks a friend for bread at midnight. The friend is already in bed and has no desire to disturb his family by opening the door. But because the neighbor is persistent, the sleeping man gets up and gives him all that he needs. If a neighbor is willing to help us if we are persistent enough, how could God not respond to our requests?
