Vacation Bible School

Hello to my CCD families!

It's kind of hard to believe that we are at the end of the CCD season! Next week will be our last session! We are planning a fun-filled time for the kids! We will be having an ice-cream sundae bar along with games and prizes!

With the end of the season comes planning for the upcoming season. I would love to receive feedback from you, the parents, as to what you think works and what could use improvement with the program. I am open to constructive criticisms. I want to make this program successful and meaningful to the growth of your children's faith and understanding of Catholicism. This is the most important part! I want them to look forward to coming to CCD, and I want the volunteers who make this program possible to enjoy themselves as well. Please feel free to email me your feedback. Don't worry, I have thick skin!

God bless you and yours!

Vacation Bible School to be held June 5th through 9th!

Plans are underway for our upcoming VBS week! It is space themed and will be loads of fun for everyone involved! Keep an eye out in church bulletins for registration information. We are also looking for adult and teenage helpers. We can't do it without you! If you're able to help in ANY way, please let us know! I know I sound like a broken record when I say, "Many hands make for lighter work." But, man oh man, is it true!! More information will be shared in the weekly church bulletin AND on the CCD tab of the church website. An early THANK YOU to those who have already made themselves available to help!
