

Nineteenth Sunday in Ordinary Time † August 13, 2023

Reflect, today, upon making your life of prayer the number-one priority in your life. Maybe you have many responsibilities in life. Nothing is more important than praying—and not only when you feel trapped or feel like you are sinking. Instead, we must all establish an unbreakable habit of prayer to God for the singular reason that it is good and right to do so. The fruit of such a life of prayer is that no matter what obstacle comes our way, we will have the faith we need to follow every command of our Lord, overcoming even that which appears to be impossible.
