

22nd Sunday in Ordinary Time Sunday † September 1, 2024

Reflect, today, upon any ways that you have taken some conversation personally, allowing it to oppress you with anger, becoming defensive or argumentative. Know that whenever that happens, this is an attack from the evil one as he seeks to oppress you. Do not accept that abuse. The guide for each of us is the peace and joy that comes from the Holy Spirit. Even the greatest martyrs remained at peace and felt joy in the midst of their persecution. Reflect upon any ways that you have allowed the evil one to agitate you and leave you upset with your wounded pride. Do not fall into his trap. Hold on to the truth and remain at peace, and that will be all the defense you need to make. (Visit: www.catholic-daily-reflections.com for more!)
